

Amy P. Angell

FCAS, MAAA

Consulting Actuary

CURRENT RESPONSIBILITY

Amy is a principal with the Boston office of Milliman. She joined the firm in 1993.

EXPERIENCE

Amy has worked with a wide range of clients, including large self-insured corporations, liability insurers, captives, and state insurance departments. Her areas of expertise include casualty insurance pricing and loss reserving, financial modeling, and management reporting.

Amy has assisted with the formation and ongoing operation of several alternative risk financing vehicles. Clients in this area include self-insurers, captive insurance companies, and risk retention groups. Areas of insurance covered include workers' compensation, general liability, auto liability, employment practices liability, directors and officers liability, and professional liability.

Amy has assisted the Connecticut, Vermont, Rhode Island, Illinois, and Maryland insurance departments with the examinations of insurers and reinsurers. These examinations involved the estimation of loss and loss expense reserves, financial modeling, analyses of risk transfer, and the review of company reserving procedures and practices. Amy also reviews captive and risk retention group applications for the Vermont, Hawaii, and Montana insurance departments.
