

Robert A. Behar, FSA

FSA, MAA, EA
Principal, Consulting Actuary

CURRENT RESPONSIBILITY

Bob Behar is a principal and consulting actuary with Milliman in Chicago. He joined the firm in 2009.

EXPERIENCE

Bob has more than 35 years of experience in the design, funding, communication, and administration of both qualified and nonqualified retirement plans. He works with corporate, multiemployer, and public plan sponsors. He specializes in multiemployer funds dealing with the requirements of ERISA and the Pension Protection Act (PPA), including making PPA funding projections and developing funding improvement and rehabilitation plans. Additional projects have included merger studies, consulting on withdrawal liability issues, plan design studies, and assumption analyses.

Prior to joining Milliman, Bob was a principal in a large international actuarial consulting organization. He served as a senior consultant and actuary for a Fortune 100 company where he provided strategic consulting and oversight for clients, including three multiemployer funds with assets in excess of \$2 billion.
