

Eric Carlson

FSA, MAAA
Principal and Life Actuary

CURRENT RESPONSIBILITY

Eric is a principal and life actuary with Milliman's IntelliScript practice. He joined the firm in 2011.

Eric and his team manage several products, including Irix™ – Risk Score, Curv™ – Market Segmentation, Irix – ReCheck, and Curv – Inforce. Eric also supports the sales, business development, and account manager teams in addressing their clients' needs.

EXPERIENCE

Eric specializes in individual life insurance and annuities, and has also worked in disability and long-term care insurance.

He worked in product development and pricing with direct life insurance companies for 13 years and then in a marketing role in the life reinsurance field for another 7 years before joining Milliman.

AFFILIATIONS

- Previously a volunteer at the American Academy of Actuaries, active on the Life Practice Council and a co-chair of the Life Products Committee.
- Eric frequently presents at industry meetings sponsored by a wide variety of organizations including the Society of Actuaries, ACLI, LOMA / LIMRA, local and regional actuarial meetings, and local and regional underwriting meetings.

PROFESSIONAL DESIGNATIONS

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

EDUCATION

BA, Mathematics, Gustavus Adolphus College
