

Noah Champagne

FSA, MAAA
Consulting Actuary

CURRENT RESPONSIBILITY

Noah Champagne is a consulting actuary with the New York office of Milliman. He originally joined the firm in 2011.

EXPERIENCE

Noah has provided actuarial and consulting services to a broad range of clients including accountable care organizations (ACOs), managed care organizations (MCOs), healthcare providers, physician organizations, commercial insurers, Medicare Advantage plans, government agencies, and pharmaceutical companies.

He has experience assisting clients with risk arrangements, pricing, budgeting, contracting discussions/review, rate filings, capitation arrangements, benchmarking, benefit design, and Medicare repricing. In addition, he has substantial experience consulting, analyzing, and projecting provider risk arrangements such as the Medicare Shared Savings Program (MSSP) and the Next Generation ACO program.

PROFESSIONAL DESIGNATIONS

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

EDUCATION

- MSc, Applied Mathematics, University of Washington
- BA, Physics and Mathematics, Skidmore College
