

## Samantha J. D'Anna

Senior Healthcare Analyst

### CURRENT RESPONSIBILITY

Samantha D'Anna is a senior healthcare analyst with Milliman's Hartford office. She joined the firm in 2015.

### EXPERIENCE

Samantha provides consulting services to insurance companies, pharmacy benefit managers, Medicare plan sponsors, government entities, and nonprofit organizations.

Her work includes pricing health benefits, estimating claim reserves, evaluating the impacts of potential policy changes, and assisting Medicare Part D plan sponsors with plan design, formulary design, and pricing of prescription drug plans.

Samantha has a research background and experience with various statistical platforms. Prior to joining Milliman full time, she held internships at a pharmaceutical company and Milliman's Hartford Health Practice.

### EDUCATION

- BA, Major: Psychology, Research Track  
Minor: Neuroscience; University of Connecticut, Summa Cum Laude
- MA, Behavioral Neuroscience, University of Connecticut
- PhD, Behavioral Neuroscience, University of Connecticut
