

Rob Frize

MBA, DIP IOD, FIA
Senior Consultant

CURRENT RESPONSIBILITY

Rob Frize is a senior consultant and practice leader of the Isle of Man office of Milliman, which he joined in 2019.

EXPERIENCE

Rob has significant experience in the cross-border insurance industry, including market entry strategies, proposition development, pricing, regulatory change and outsourcing. He has worked with many of the major companies in the international life insurance market in the Isle of Man, Ireland, UK and Luxembourg. He also has extensive experience of insurance IT implementations, programme management and risk management.

Prior to joining Milliman, Rob led his own successful actuarial consulting firm for 15 years. He was Managing Director of BoE Life International and BoE International Portfolio Services from 2001. He was also a director of a number of BoE's fund vehicles. Before joining BoE, he was Head of Product Development for Scottish Provident International.

Rob moved to the Isle of Man from Ireland in 1994, where he held senior management positions with Irish Life and Canada Life Ireland.

AFFILIATIONS

Rob is a former Treasurer of the Manx Actuarial Society and several MAS working parties. He is a non-executive director of a number of private-sector financial services companies and is a Commission Member of the Isle of Man's telecommunications and broadcasting regulator.

PROFESSIONAL DESIGNATIONS

Fellow of Institute and Faculty of Actuaries.

EDUCATION

- Masters, Business Administration, International Space University, Strasbourg
- Diploma in Company Direction, Institute of Directors, London
