

Kevin Moloney

BCOMM

Director, Superannuation Services

CURRENT RESPONSIBILITY

Kevin Moloney is Director, Superannuation Services for Milliman's Financial Risk Management practice based in Melbourne.

Kevin leads market development efforts across the broad Institutional Superannuation marketplace in Australia. Sector dynamics sees Kevin's engagement traversing Industry Funds (sector-specific), Multi-Employer, Corporate and Retail superannuation funds in Australia.

Kevin works closely with FRM principals based in Sydney and is responsible for the alignment and market penetration of Milliman propositions across Technology/Analytics, Data and Insights and Investment Services functions.

Kevin has extensive executive management experience leading teams across the retirement product, financial advice and fund member marketing/engagement domains.

Prior to joining Milliman Kevin was a principal consultant with Mercer's superannuation business and held executive management (Responsible Officer) roles within both the Corporate and Industry Fund sectors in Australia.
