

Shir Lynn Ong

STUDENT, INSTITUTE OF ACTUARIES, UK
Associate

CURRENT RESPONSIBILITY

Shir Lynn joined Milliman in 2012 as an Associate and is based in Singapore.

EXPERIENCE

Prior to joining Milliman, Shir Lynn worked at Prudential Singapore as an executive within the pricing and development team. During her time there, she worked on various pricing projects for both life and medical insurance products. She worked on claims experience studies as well as product monitoring and acquired knowledge on Prophet, setting up pricing models for various products.

Since joining Milliman in May 2012, Shir Lynn has worked on a number of projects in Malaysia, Indonesia and Singapore. Her work includes reviewing and setting up Prophet models for the purpose of embedded valuations, providing actuarial support for Appointed Actuary assignments in Singapore and conducting market research for the South East Asian region.
