

Jeremy D. Palmer

FSA, MAAA

Principal, Consulting Actuary

CURRENT RESPONSIBILITY

Jeremy is a principal and consulting actuary with the Indianapolis office of Milliman. He joined the firm in 2004.

EXPERIENCE

Jeremy has developed an expertise in the financial forecasting, reporting, and reserving of all types of health insurance, including commercial and government sponsored populations. He has extensive experience in the evaluation of Medicaid managed care financing, including negotiation and strategy of risk-based managed care capitation contracts, as well as healthcare trend analysis. Jeremy consults to state Medicaid agencies and health plans in more than 15 states.

Prior to joining Milliman, Jeremy worked as a healthcare staff actuary with Anthem Blue Cross Blue Shield for eight years.

RELEVANT EXPERIENCE

- State Medicaid agency risk-based capitation rate development – IL, IN, MI, OH, and SC
- State Medicaid agency budget, forecasting, and special projects – AR, CT, and NE
- Medicaid health plan association consulting – MA, NY, and OH
- Medicaid health plan capitation rate certification and bid development – FL, KY, MA, NH, PA, RI, VA, and WA
- Medicare/Medicaid dual eligible demonstration analysis – IL, MA, MI, NY, OH, RI, and SC
