

David Schreiner

TRADER & RISK MANAGER
Financial Risk Management

CURRENT RESPONSIBILITY

David works for the Capital Markets Group within the Financial Risk Management practice in Chicago. This group advises clients in banking, insurance, and funds management on financial risks, hedging strategies, and trading operations.

EXPERIENCE

Since joining the Chicago practice in 2011, David has been responsible for trading derivatives to cover U.S. risk exposures on a number of Milliman's variable annuity and protection strategy hedging programs.

Prior to joining Milliman, David was a sergeant in the U.S. Army.
