

Nandan Sukthankar

B.TECH COMPUTER ENGINEERING
Actuarial Associate

CURRENT RESPONSIBILITY

Nandan Sukthankar is serving as an actuarial associate in Milliman's life insurance consulting practice in India, based in Mumbai. He joined the firm in 2018.

RELEVANT EXPERIENCE

Since joining Milliman, Nandan has been involved in a variety of projects:

- Modelling cash flow projections to determine the embedded value of a life insurance company using traditional and market-consistent approach using Excel and VBA macros.
- Modelling and reviewing statutory reserves.
- Model Validation for all product types using Prophet.
- Statistical analysis of the Life Insurance industry in India.
- Market benchmarking exercises
- Building and testing code internally in Prophet.
- Limited experience working on UK based life insurance/pension products.

PRIOR EXPERIENCE

Prior to Milliman, Nandan worked with HSBC Technology, India for a year as a Software Engineer in the Financial Crime Risk IT department. He has also served as the Secretary for the 88th edition of the annual boat festival, Regatta.
