

### Roeleke Uildriks

MSC, AAG  
Consulting Actuary

#### CURRENT RESPONSIBILITY

Roeleke is a consulting actuary in the Amsterdam office of Milliman. She joined the firm in 2007.

Roeleke has over 20 years of work experience in the insurance industry, working mainly as a consultant. She carries out consulting assignments in the field of health, property & casualty and disability in the Netherlands and internationally.

Before Roeleke joined Milliman, she worked at a Dutch multiline insurance company from 1995 to 1998, at Ernst & Young Actuaries from 1998 to 2004 and at Delta Lloyd (subsidiary of Aviva Plc) from 2004 to 2007.

#### EXPERIENCE

Her wide range of consulting assignments cover actuarial function work, pricing and product development, best estimate model development and validation, and Solvency II related assignments.

#### PROFESSIONAL DESIGNATIONS

- Fellow, Actuarieel Genootschap (Dutch Society of Actuaries)
- Member of ASTIN (non-life subsection actuarial society)

#### EDUCATION

Master of Science, Actuarial Science,  
University of Amsterdam
