

Eric Walters

ASA, MAAA

Associate Actuary

CURRENT RESPONSIBILITY

Eric Walters is an associate actuary with the Boise office of Milliman. He joined the firm in 2014.

EXPERIENCE

Eric works with a variety of corporate, public, and multiemployer clients as a healthcare consultant. His assignments include post-retirement benefit valuations, rate calculations and renewals, benchmarking analysis, estimations of liabilities and reserves, and Medicare Part D attestations.

He also manages the development and maintenance of Milliman-wide claims cost and healthcare trend models.

PROFESSIONAL DESIGNATIONS

- Associate, Society of Actuaries
- Member, American Academy of Actuaries

EDUCATION

BS (cum laude), Mathematics,
Brigham Young University
